On February 12, 2013, the Board entered an Order resetting the trial dates in this matter. An answer to the Notice of Opposition was due by March 11, 2013. To date, no answer has been filed and, therefore, Opposer has been unable to proceed with the Opposition.

Since the time for filing the answer expired over five months ago and no answer having been filed, the matter is ripe for entry of default for failure to answer the Notice of Opposition.

Wherefore, Opposer requests that default against the Applicants be entered, the Opposition be sustained and registration denied to Applicants.
